Help Out- We're in a Drought!

COMMUNITY MEETING

Conserving water starts with you.

*Learn ways to outsmart
the drought!*

Thursday
June 25, 2015
6-8 pm: 6:30 program

Kidspace Children's Museum
Stone Hollow Amphitheater
480 N. Arroyo Blvd., Pasadena

Please RSVP by June 19th

626-351-1917 or

Assemblymember.Holden@assembly.ca.gov

- Metropolitan Water District exhibits on water conservation programs
- Information on household rebate programs
- Interactive workshops for elementary age students on water conservation
- Drought tolerant plant exhibits
- Refreshments provided
- Bring your water bottle!

Each guest will receive a family of four pass to visit Kidspace Children's Museum!

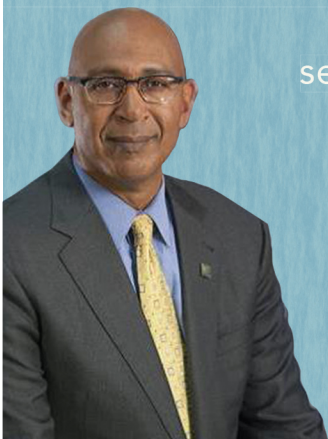

In California, a drought of historic proportions calls for an historic response

Come and learn about rebates available,
see live demonstrations and hear practical advice from:

JPL - Dr. Duane Waliser, Chief Earth Scientist

California State Water Resources Control Board-
Caren Trgovcich, Chief Deputy Director

City of Pasadena Department of Water and Power
